The 66th Annual Meeting of the American Academy of Maxillofacial Prosthetics will be hosted in Miami, Florida (October 26-29, 2019) at the Eden Roc Hotel.

You can book your hotel reservations within the room block online via the AAMP 2019 Miami meeting website.
FROM THE PROGRAM CHAIR

The AAMP Annual Scientific Session is planned to be a special event this year with a vast array of clinicians sharing experiences and elective workshops planned for unique cutting-edge technology. Our forum for those presenting posters will also be that which encourages members and those guests who have research or clinical material to share. Social Events planned highlight some of the cultural experiences endemic to the locale and characteristic local flavor.

The hotel is special for this annual session as it is competitively priced for several days before the meeting. The hotel is also located adjacent to the ACP Meeting Hotel and may be convenient for those wishing to attend both meetings. The Meeting Venue is nothing short of spectacular as it boasts a grand ocean view with adjacent walking paths to the beach, park via the Miami Beach Boardwalk. Minutes to South Beach, Little Havana and adjacent offshore excursions makes this a very popular venue for tourists worldwide.

Please join us and your colleagues in Miami Beach for the 66th AAMP Meeting as it will be a one of a kind event!

Sincerely,
Thomas Salinas, DDS
66th Annual AAMP Program Chair
CONFERENCE SITE
South Beach has been called the American Riviera and an Art Deco Playground. Yet there’s more than fine white sand and colorful buildings to South Beach’s fantasyland of exuberant Deco architecture. South Beach offers an eclectic mix of world-class boutiques, galleries and stores. It’s also a culinary hot spot for everything from gourmet to casual beachside cuisine.

The clear blue water and the white sand beaches are a must-see for any Miami visitor; even for locals, the beautiful beach just doesn’t get old. If you’re taking a break from the sun, check out one of the many museums, shops or historic buildings in the area. Take a stroll down Lincoln Road for the best people watching in Miami or cozy up to a fancy bar with haute cocktails. In the heart of the city at the edge of the sea, Eden Roc Miami Beach provides a modern, comfortable setting to relax and enjoy the view. A vibrant city transitions to a beachside oasis.

Register early to reserve your seat.
Price: $150.00 USD / person ($175.00 USD after Oct 1st)

TUESDAY, OCTOBER 29 (14:00 – 17:30)
Hands On Cleft Palate NasoAlveolar Molding
Nasoalveolar molding therapy for infants with a cleft lip, alveolus and palate anomaly has matured to a widely employed technique for reducing the severity of the cleft deformity while greatly improving the shape of the nose prior to surgical repair. While its efficacy and benefits have been proven, it remains a fairly labor-intensive technique which is not easily learned through the literature or technique articles alone. This course provides a hands-on step by step review of the basic technique of fabricating a NAM appliance for an infant with a unilateral cleft lip/alveolus/palate. Familiarity with the fundamental aspects of NAM would be beneficial to the attendee.
Register early to reserve your seat.
Price: $200.00 USD / person ($225.00 USD after Oct 1st)

TUESDAY, OCTOBER 29 (14:00 – 16:30)
Facilitated by Factor II / Technovent– details forthcoming...
Register early to reserve your seat.
Price: $150.00 USD / person ($175.00 USD after Oct 1st)
