Dr. Richard Cardoso <i>Houston, TX, USA</i>	Dr. Suresh Nayar <i>Edmonton, AB, Canada</i>
--	---

# WELCOME FROM THE PROGRAM CHAIR

Our last AAMP meeting in person (2019) took place in Miami, Florida, where we re-acquainted with old friends and met enthusiastic new members of our academy over an excellent scientific program. After two years of virtual scientific education due to the COVID pandemic, I am confident that everyone is looking forward to interacting in person again at this year's 69th AAMP annual meeting in Austin, Texas.

The theme for this year's meeting is "Treatment Longevity for the Maxillofacial Prosthetic Patient". We are hosting 23 invited speakers, 3 industrial presentations, 3 workshops and our interactive poster session. We will continue to give our current maxillofacial fellows from our North American training centers an opportunity to give a brief 15-minute presentation. This year we have invited our Past AAMP Presidents to moderate 6 sessions: Intra-oral "Rehabilitation I & II", "Facial Prosthesis", "Dental Oncology", "Maxillofacial Prosthodontic Fellows" and "Our Past and Future". It is a program that promises to present innovation and relevancy for our clinical practices.

Finally, I would like to personally thank the program committee, the speakers who have generously accepted our invitation to speak, moderators for each session, participants, and our sponsors who have generously donated and participated in this year's annual session. Without all of you, this year's meeting would not be possible.

Looking forward to seeing all of you in Austin!

Sincerely,

Alvin G. Wee, DDS, PhD, MPH  
69th Annual AAMP Program Chair

# STAY IN STYLE DEEP IN THE HEART OF AUSTIN

Located in the heart of Texas, Austin is a self-proclaimed Live Music capital of the world. The city has a strong cultural identity with its deep love for festivals, electronic music, and contemporary art. Home to the Texas state university, Austin attracts young and talented from all over the world. A perfect blend of modern skyscrapers and the lush green outdoors, musical city has a lot to offer. Popular destinations include McKinney Falls State Park, Bullock Texas State History Museum, and Barton Springs Municipal Pool.

## IMPORTANT DATES

Deadline for Abstract Submission and Edits:  
**September 16, 2022**

Deadline for submission of full poster for judging  
in JPG format:  
**September 30, 2022**

[www.aampconference.com](http://www.aampconference.com)

[Link to > 2022 Conference Information](#)

## CALL FOR PAPERS

The AAMP welcomes all student poster presentations along with all non-student presentations for the 2023 Annual Meeting. Residents and fellows in Maxillofacial Prosthetics graduate programs are invited to participate in the 2022 student poster competition. As in previous years, there are two categories – Research and Case Report/Technique – and first and second place awards including associated monetary prizes sponsored by the Editorial Council of the Journal of Prosthetic Dentistry (ECJPD) will be given.
